

Look for the Mark of Quality

Color the spaces using blue, red, and yellow and watch what appears!

Q = Blue ✓ = Red Y = Yellow

Meet the Quality Brigade

They're friendly. They're cool. And they mean business! The Quality Brigade makes sure the Quality Chekd dairy foods you eat are fresh, wholesome, and delicious. They test the milk you gulp, the yogurt you slurp, the juice you guzzle, and the ice cream you lick—all so that you know you're always getting the best.

Just remember: Blue Q. Red Chek. Great Stuff.™
