

Help the Quality Brigade

The Quality Brigade is always looking out for you. Their job is to guarantee that milk is fresh, safe, and delicious—and that means making sure germs are gone. Color the spaces using green and yellow to help the Quality Brigade find and get rid of any germs.

G = Green Y = Yellow

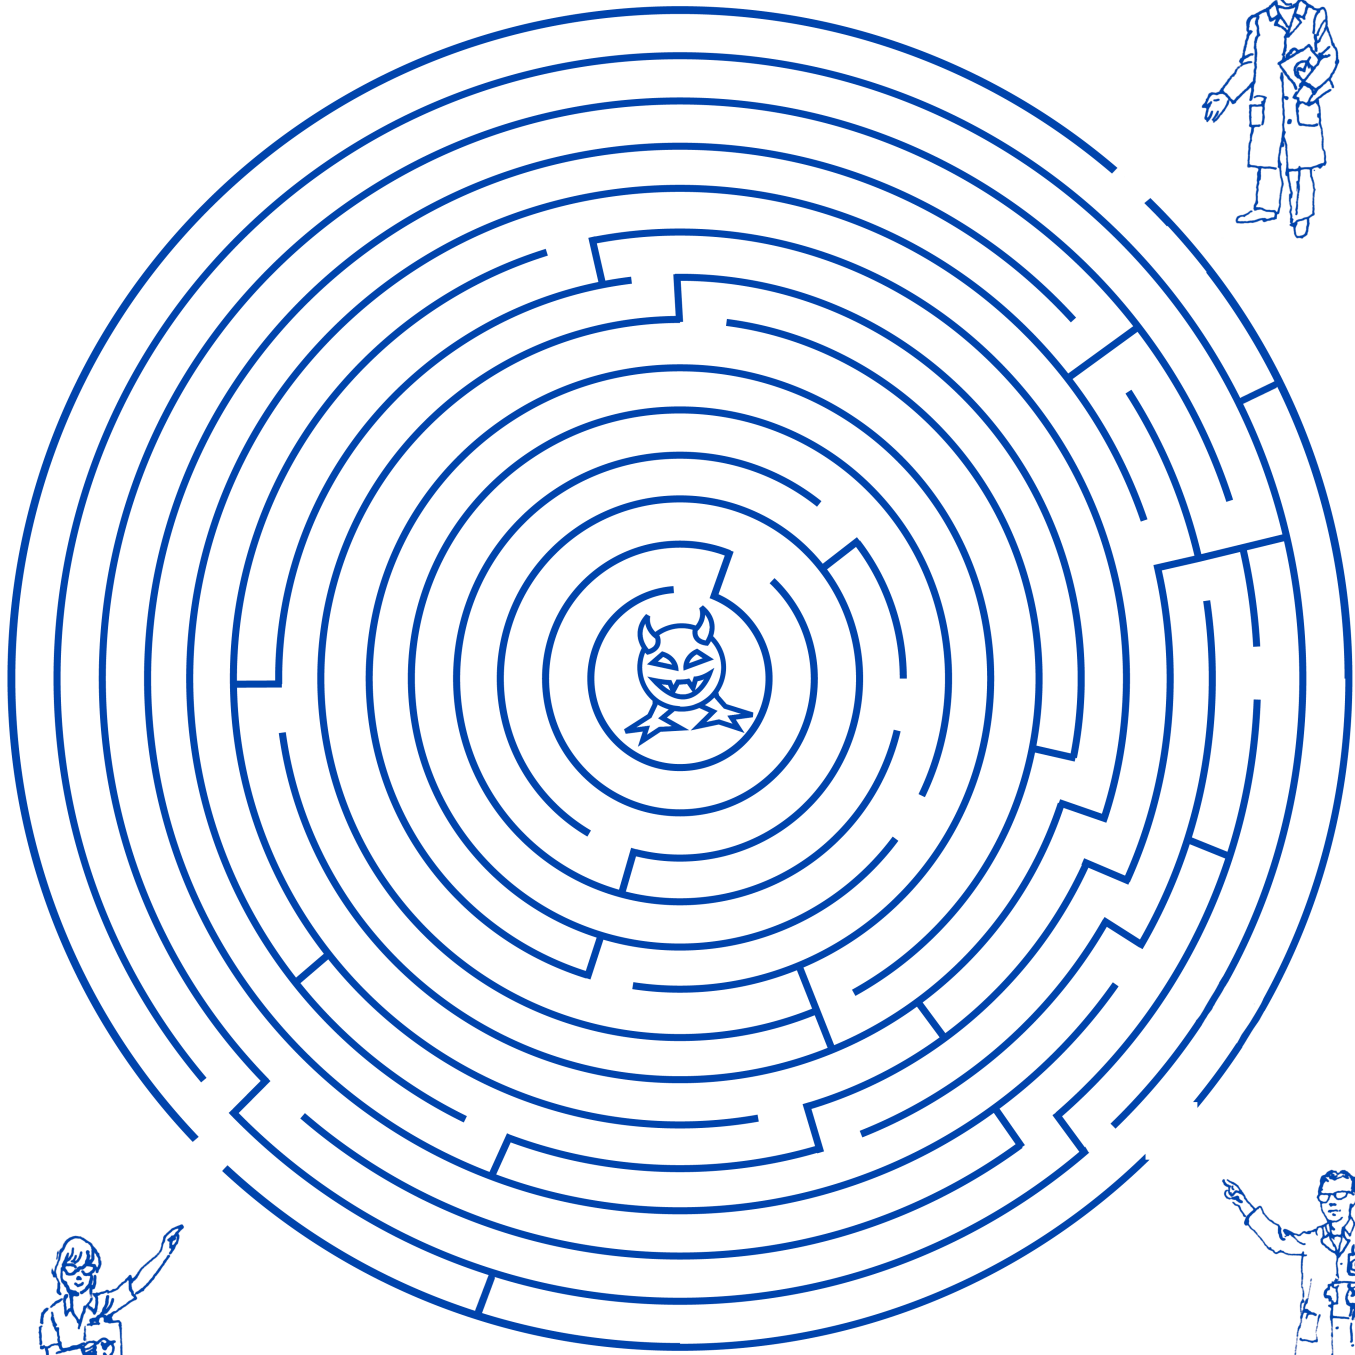

Give yourself 2 pints for your work.

Amazing but true: Cows who listen to music by Elvis Presley create 35% more milk than cows who chew their cud in silence.

Amazing but true: Cows find their way by looking at the ground. If the fields are flooded, they can't find their way back to the barn.

Protect Dairy Freshness

Which Quality Brigade member can get through the maze?
Award yourself 1 pint when you get the answer.

Amazing but true: The average cow produces 40 glasses of milk a day and 200,000 glasses in her lifetime.

Q: Where do cows go when they want a night out? A: To the mooovies.
